

Professional Improvement

ADDRESSING THE NEEDS OF INDIVIDUALS OF OUR COMMUNITY FIND CAREERS, NOT JUST JOBS!

What do you do when you have lost your job? What do you do when you can't seem to find a job that you like? What do you do when you can seem to find a job that supports your needs? What do you do when you want a job to last a lifetime? Who can help you?

“ It is more important to have a career than to have a job. People change jobs everyday, but a career is a life-long endeavor. ”

We offer Career services at Greater Hope through our Professional Improvement Ministry. We take the time to work one-on-one with each individual to ensure that they get the best help that we have to offer. We start with the resume and finish with a career.

Informational Meetings held, 2nd & 4th Tuesday of each month. Your career is important to us!

We care about you and your career!
